

NOTICE TO MEMBERS

REQUESTS FROM PLAYING MEMBERS TO BECOME SOCIAL MEMBERS

Following a recent misunderstanding regarding a Member returning to full playing membership from a short period as a Social member, the following has been approved by The Board of Directors as a briefing to Members.

When a playing Member is unable to play for reasons of illness or injury they need to decide their course of action. Either:

1. Continue to pay their existing subscriptions as a playing member throughout the period of their illness/injury and retain all their current privileges.

Or

2. Pay the social membership subscription rate for the period of their illness/injury. (Minimum of 6 months) which will change their status as below. Individual cases may be reviewed by the Membership Committee.
- During the period of Social Membership the Member will have the rights of a **SOCIAL MEMBER, NOT A PLAYING MEMBER**, eg unable to play on the golf course, unable to attend AGM's, unable to vote at an AGM and will not have a share in the Company. The Member will be able to retain his/her locker, if applicable, for a maximum period of 12 months.
 - When the Member requests to revert back to playing membership they should be aware of the following:
If the category of membership they are requesting to re-join is full, they will be placed on a waiting list and will be offered that category of membership when a vacancy arises.
The member maybe offered playing membership in an alternative category if this is appropriate.
